Dear Senator Reed:

Thank you for your letter regarding the importance of children's educational programming. I share your goal of ensuring that the children of all Americans have access to quality educational and informational content while ensuring that over-the-air broadcasting remains a free, vital service for low-income Americans who cannot afford other alternatives.

Commissioner O'Rielly has been heading up the Commission's efforts to review its broadcast rules regarding children's television, including through the potential issuance of a Notice of Proposed Rulemaking. I look forward to sharing your concerns with him as we consider any reforms to the existing rules.

I appreciate your interest in ensuring high-quality content for children. Your views will be entered into the record of the Modernization of Media Regulation Initiative proceeding and considered as part of the Commission's review. Please let me know if I can be of any further assistance.

Sincerely,
